

The image shows the front cover of a book. The cover is made of a light-colored, textured material, possibly cloth or paper, and is decorated with a black geometric pattern. This pattern consists of a large rectangle with a smaller rectangle inside it, and the corners are cut off at 45-degree angles, creating a series of nested rectangles. The entire cover is framed by a wide, decorative border. This border is composed of a repeating geometric motif, likely a stylized diamond or lozenge shape, which is repeated along the edges. The corners of the cover are reinforced with a red material, which is visible as a triangular patch in the top right and bottom right corners. In the center of the cover, there is a rectangular label with a decorative border. The label is tilted slightly to the right and contains the word "CASH" in a large, bold, serif font.

September 13, 1958

Mr. N.D. Hathcock
Route 2
Stanfield, North Carolina

Dear Mr. Hathcock,

I certainly enjoyed talking with you yesterday afternoon. I appreciate you going with me to take the measurements of your Church.

I am enclosing a quotation on the pews according to the floor plan I have enclosed. Note that I have put a shorter pew by the door, with the pew this length, you can swing the door back against the wall and still have room to pass. I have also made the two pew that go closest to the platform a little shorter. I think this will be best and you will not lose any seating space.

I have given you a quotation without bookracks. I do not know if we discussed this when you were here in the office but I checked back on the order for Running Creek and noticed that they did not have bookracks. Perhaps you could add these later if you would want to.

We would certainly like to put the new furniture in your new Church and I assure you that we will have an installation of which we could both be proud. If I can be of any further service in any way, please call on me.

I have quoted 45-60 days, however, we would install them just as soon as we could and possibly in less than 45 days.

Very truly yours,

Joe Lowder
